Once upon a time, there was a mouse named boble head. But i like to call him bob. He is 132 years old but looks very young for his age. Here is a picture of him

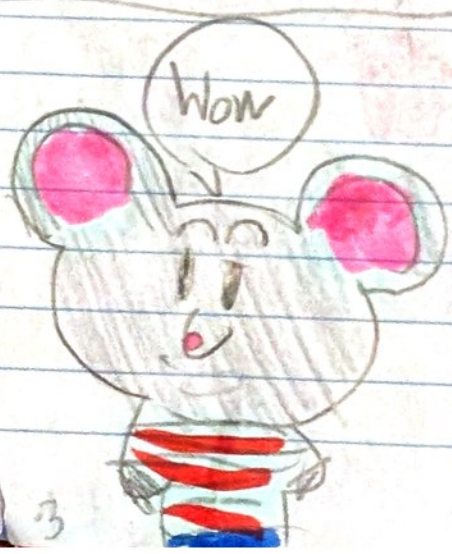

Fact
A.K.A means Also known as

One day bob (A.K.A boble head) was taking a stroll and he saw a mushroom tree. At his work there is a roomer that fairys live inside.

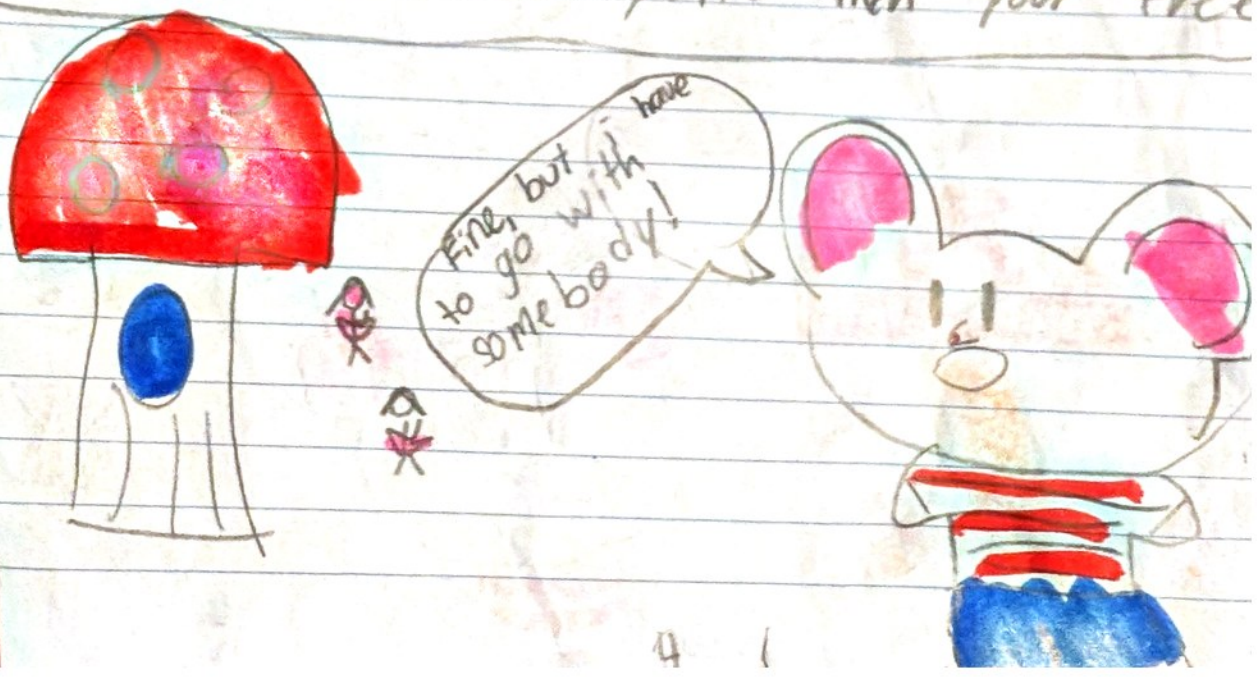

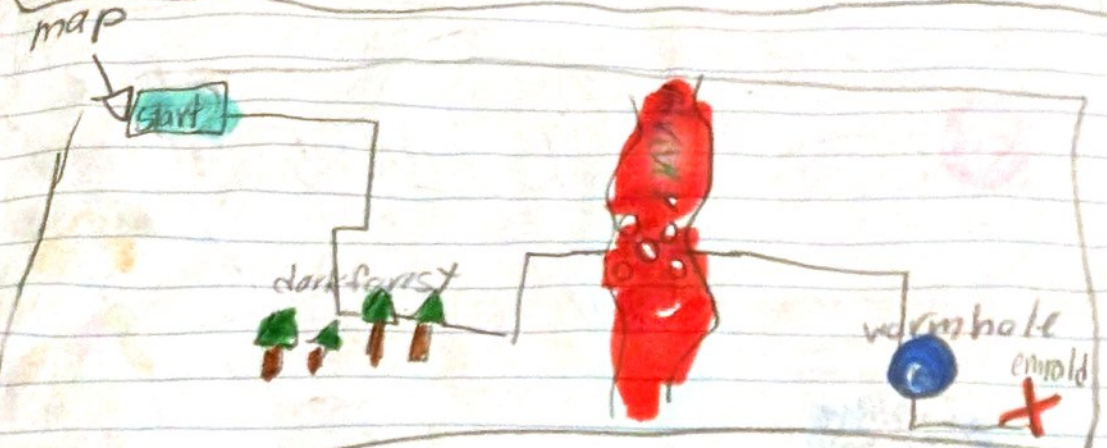

So he decided that he was gonna pick some mushrooms. By accident his hand hit the tree. Then a bunch of fairy fell out of the tree. And said «what do you want!» Bob said Nothing.

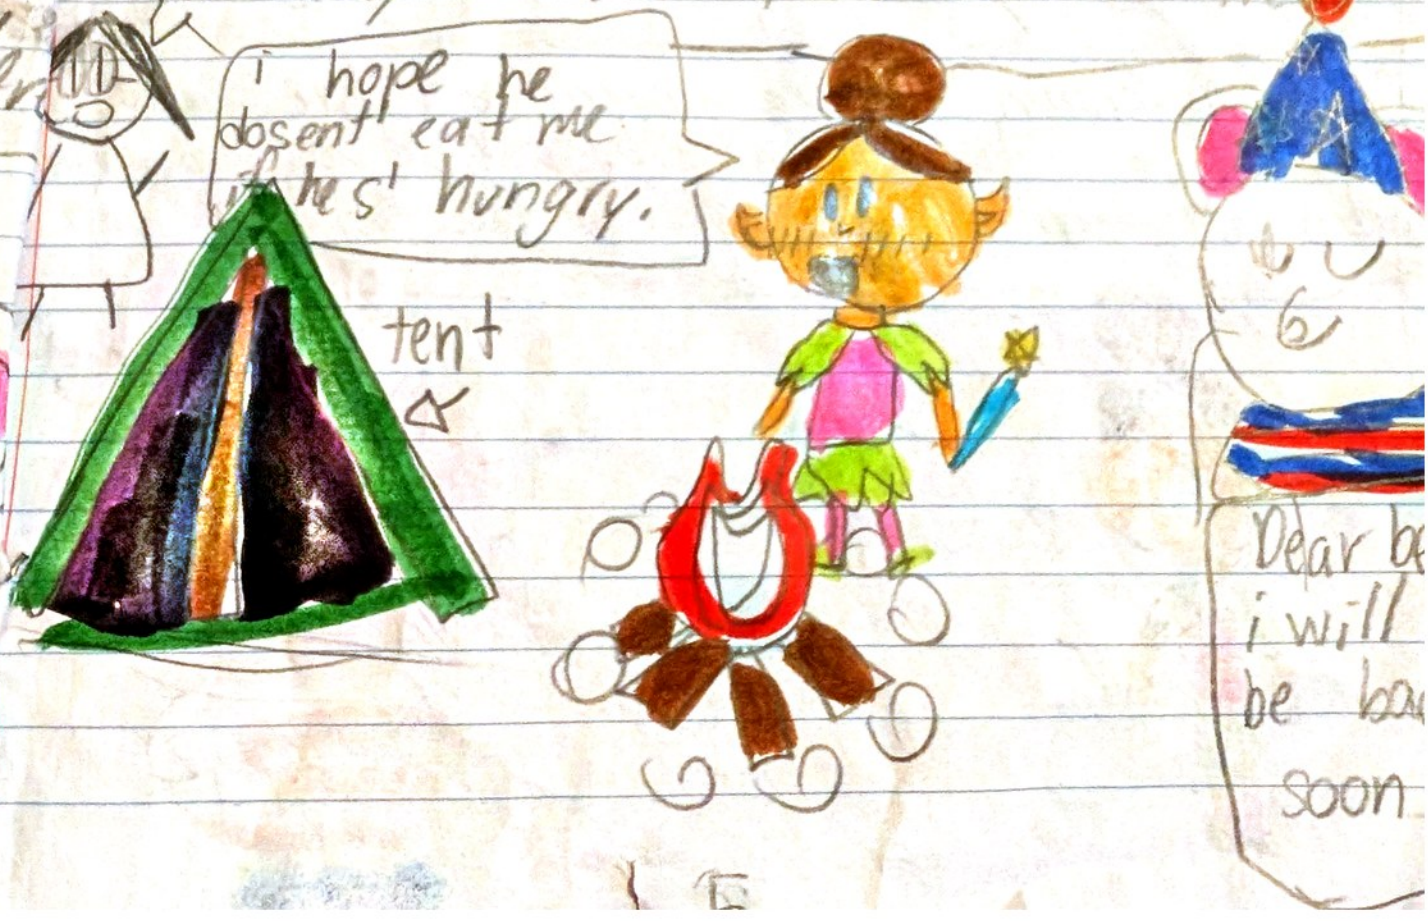

The fairys' said that they where gonna s
rumors about him. Bob said «please dont' ill
anything». The fairys talked for a little bit.
said fine you need to go get the fairy from
we need it for our safety. And then your free

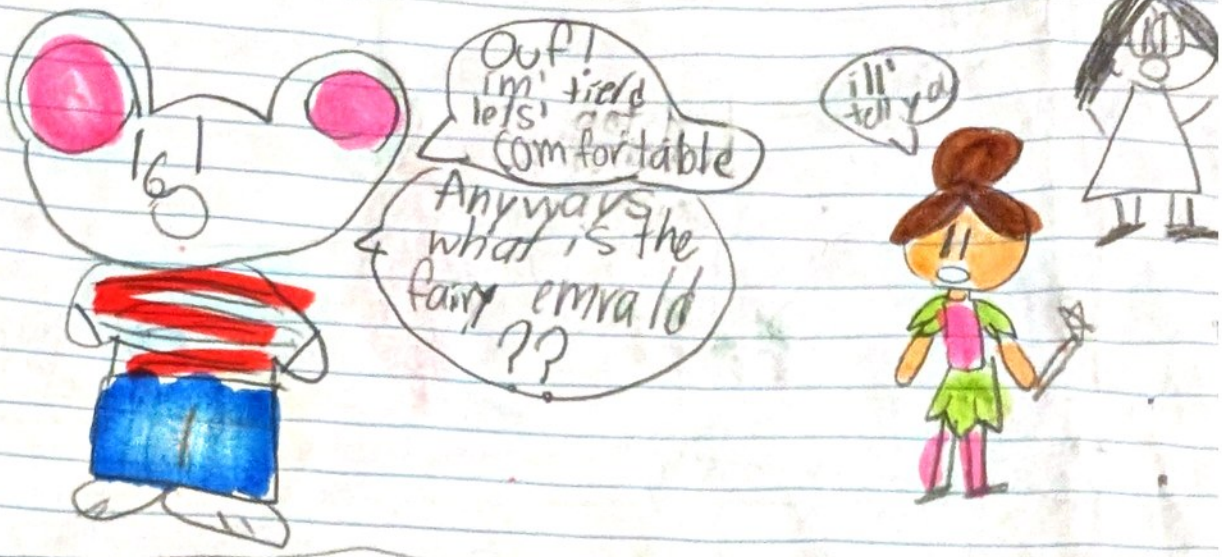

The fairys said "Well guys who wants to go with hi
its not gonna be me." A fairy named Bella steped ou
of the crowd and said that she wanted to go.
So... well... they invited bob to show him the map
to go there and to give him boo for the trip.

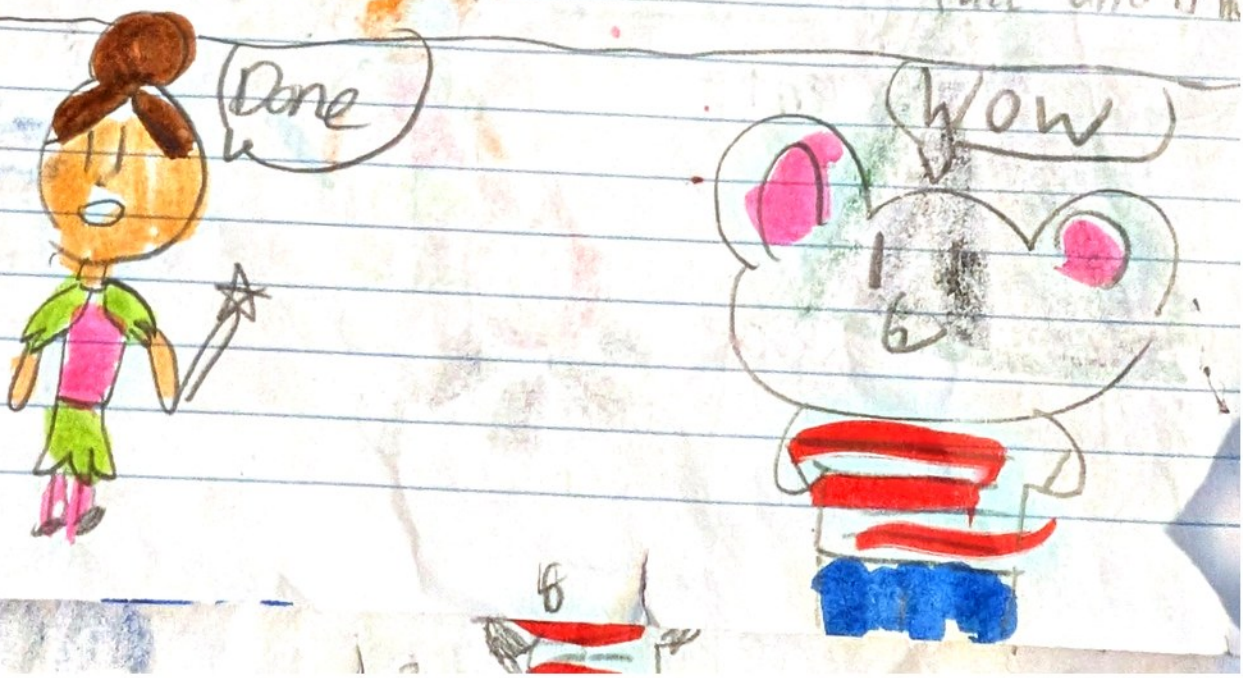

2 hours later they where off to the
adventure. They crossed the dark forest
They where right in the midle, it got dar
so they made a ten tand a fire.

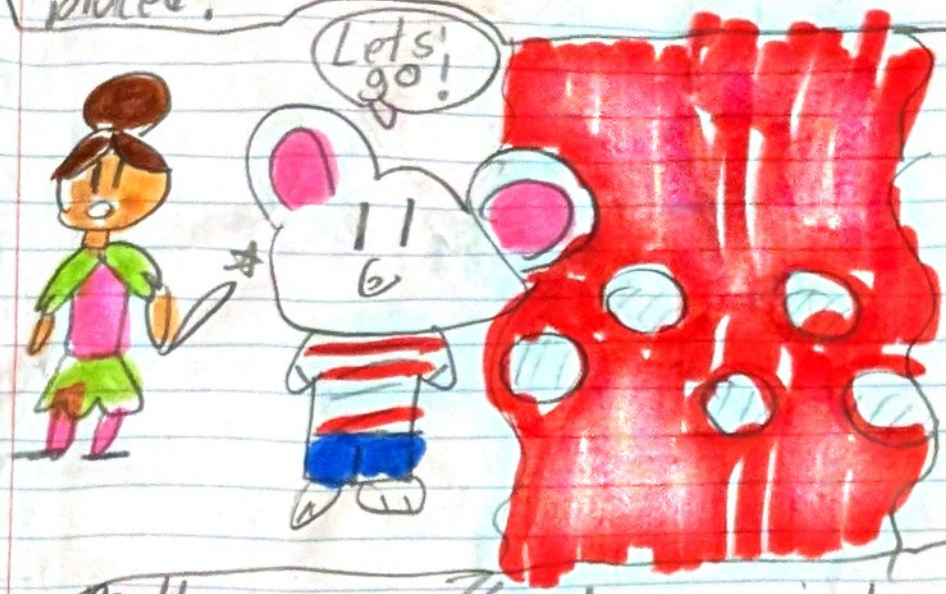

In the morning they saw a fire bear. It was trying to eat them but they hide in a bush. But little as they knew the bush had poison ivy. So they ran away into a small corner.

Bella said (a long time ago fairys where hunted by fire bears, but the only thing tha would protect them was the fairy emra But now we lost it so we are forst to in mushroom trees because fire bears are We used to live in bushes and nom and the emrald shines in their face and it h

Bob says "look it's the red river"!
Bella says how are we gonna get accrosse?
Then bob has an idea they can make
big rocks and go on them. But litt
as they knew the rocks where alread
